

OSTARA AUSTRALIA

DISABILITY EMPLOYMENT SERVICE (DES)

SPECIALIST MENTAL HEALTH

Ostara Australia provides specialist employment assistance to help people with mental health and other disability, injury or health condition to find and retain suitable employment in the open labour market. It also provides support to their employers where required.

There are two parts to our Disability Employment Services;

Disability Management Service (DMS) is for job seekers who are not expected to need long-term support in the workplace but might need irregular flexible support to keep a job.

Employment Support Service (ESS) is for job seekers with permanent disability who require regular and ongoing support to keep a job.

ELIGIBILITY

- Have a diagnosed **mental health condition**.
- Are aged at least 14 but have not yet attained the Age Pension qualifying age
- Are at or above the minimum legal working age in their state or territory
- Are an Australian resident or eligible Visa holder.
- Are not studying full time (there is an exception - see below)

- Have a valid Employment Services Assessment (ESAT) or Job Capacity Assessment (JCA) recommending DES with a Future Work Capacity of eight or more hours per week; and
- Are not working at or above their assessed work capacity (not applicable for Work Assist Participants and people who receive National Disability Insurance Scheme funding for supported employment, and/or Australian Disability Enterprise participants).
